

SUBWAY DESIGN

Discover the world of Tile

Subway tile has a timeless and unobtrusive appearance that works well in various settings, from ultra-modern to traditional. In general, subway tiles are rectangular and tiny to medium in size. In glossy, undulated, matte, and beveled surfaces, we provide the broadest selection of subway/metro tiles. These tiles are perfect for any space because it gives a luxurious feel.

GLOSSY FINISH

Something you cannot Forget

MATT FINISH

Beautiful tiles like never Before

FINISHES

All of the Magnificence is Yours

One of the most popular tiles for home décor and some commercial areas is the distinctive matte tile because of its matte finish, rough surface to suit a slippery environment, and sturdy and durable qualities. Installing Matte tiles on a wall or floor can provide a trendy and beautiful appearance to any space.

However, glossy tiles also play an essential role in the home or commercial decor. Areas with glossy tiles appear more elegant and rich. Glossy Tiles are best for spaces with little to no natural light. Installing Glossy Tiles will give any space an exotic look.

For a Polished Surface that Persists

COLOURS

Add some beautiful color to your life with tiles.

In recent years, the selection of tiles has been heavily influenced by elements like color, texture, pattern, and finish, which are available in materials including ceramic, porcelain, and glass. Color enhances the overall décor of any area by adding personality and brightness.

If you are combining two or more tile colors, it is crucial to get the proper balance. This strikingly contemporary color blend offers your space an authentic and architectural feel.

COLOURFULL CREATION

Colors influence the Soul

We provide a wide selection of tiles to add uniqueness to your space. You can choose from various tiles like high gloss, glossy, matt, and matt carving. Despite being flexible and long-lasting, our tiles adhere to a process that addresses particular placement and space issues. Each of these has been creatively created and possesses an exceptional quality that makes it ideal for various applications.

SPECIFICATION
