## 300X600MM

---

Our size gives your space a remarkable appearance and creates a welcoming atmosphere in residential and commercial properties. We offer you a range of wonderfully made tiles. As a result, your perfect space is crafted with simplicity. Our tiles follow a process that specifically handles placement and space issues, despite being adaptable and durable. These have all been thoughtfully designed, and each one has a certain attribute that makes it perfect for a range of uses.

## FEATURES

Each tile is crafted using state-of-the-art technology to ensure superior quality. Furthermore, our commitment to using only the finest materials guarantees the durability and longevity of our products. From small accents to full-scale installations, our collection is built to last and designed to impress.

### Fire Resistant

Our tiles are non-combustible and will not burn, melt, or give off toxic fumes when it is exposed to fire.

### Impact Resistant

Our tiles have good strength and therefore, can withstand intense force or shock applied at the surface.

### Water Proof

Our tiles are impervious to liquids, their colours won't fade even if spills and puddles sit for a long while on your floors or surfaces.

### Stain Resistant

Because of its low porosity, vitrified tiles do not stain easily. Even coffee, wine, and the muddiest messes cannot deteriorate it.

### Scratch Resistant

Our tiles are scratch-resistant which means that they will continue to look naturally amazing even after years of heavy traffic.

### Simpliclean

All tiles are easy to clean with a broom, vacuum, or wet mop. Our tiles are easier to clean and maintain.

### Anti Skid

Anti-skid tiles are designed in a way to lessen the chances of you slipping due to the tile surface.

### Weather Pro

Our tiles won't freeze, fade or crack due to cold weather or any other extreme conditions or temperatures.

## APPLICATION

We strive to make sure our products are easy to install and maintain, so you can enjoy your space for years to come. We understand the importance of creating a space that reflects your individual style and needs, so we take great care in designing our products to make sure they meet those requirements. Our tiles can be installed in various areas such as hotels, schools, homes, offices, etc., so no matter the project, we have the perfect tiles for you.

## NOTE :

- Colours in the catalogue are as accurate as printing process allows. Please check actual tile sample before making the final selection.
- Sizes mentioned in the catalogue are nominal sizes only.
- For better laying. Please follow the instructions on the packaging box.
- Please make sure to check the shade/finish with the sales agent/ dealer making the final purchase because there might be variation in actual finish that shown in the catalogue. The company will not bear any loss in such case.
